FIGHT FOR TWENTY ROUNDS

CASE OF SPLENDID GENERALSHIP VS. A HARD HITTER.

Los Angeles, Feb. 9.—"Kid" Hermann of Chicago and Aurelio Herrera of Bakersfield, Cal., fought a twenty-round draw before the Pacific Athletic club tonight. The fight was an interesting one, a splendid exhibition of cleverness on Hermann's part and aggressiveness on Herrera's. With the disadvantages in height, weight and reach to overcome, Hermann fought with splendid generalship and cleverness. From the first to the fifteenth rounds Hermann had a decided lead on points, using his left to Herrera's body successfully, especially in the infighting, of which there was a great deal. Herrera, who was strong and showed the hardest punch, tried hard to land his knockout right on the jaw, but did not land it squarely during the entire fight. He staggered Hermann several times by hitting him on the back of the neck and head, but the clever ducking and quick recovery of the Chicago lad saved him from serious harm.

Champion New Zealand Team to Show Californians How Game Is Played.

San Francisco, Feb. 9.—The twenty-three members of the famous New Zealand "All-Black" Rugby football team, whose exposition of the Rugby game astonished the athletic public of Great Britain, arrived here tonight. The team left New Zealand last fall and spent three months in Europe, where they vanquished all of the champion teams of England, Scotland, Ireland and France. They won thirty-one out of thirty-two games, one game being lost to Wales after injuries had incapacitated some of the best among the visitors. There also arrived here tonight the British Columbia fifteen, and this team tomorrow afternoon will meet the New Zealanders on the field of the University of California.

CHAPMAN FOR REFEREE.

His Friends Boosting Him for This Position at Saucer Track.

On top of the formation of a bicycle riders' union comes another that the name of John A. G. Batchelder as the official referee for the coming season. Chapman has just been appointed referee for the new association, which shows that he has a strong pull with that organization. It is said that some of the members of the association are quietly canvassing the bike riders of the city to get their endorsement for Chapman. He is also being boosted by a former well known official of the track.

"PIGGIE" WARD NO MORE.

Veteran Butte Second Baseman Dies at Scranton, Pa.

Word has just reached the city that "Piggie" Ward has passed to the great beyond. There are few Utah baseball fans who are not familiar with Ward, who played second base for Butte nearly all the time the mining town was in the Pacific National league. He was always popular with the fans on the circuit and doubly so with the Salt Lake fans. He was an old National league player and in his day one of the best in business. Last season Ward played with Montgomery, in the Southern league, and had been asked to secure his release to act as manager of the Butte team this season if one was formed for the new Lucas league. He died at his home in Scranton, Pa.

FRENCH REFUSE CUP.

Vanderbilt's Auto Trophy Is Therefore Returned to Giver.

New York, Feb. 9.—For the third year the Vanderbilt cup race will take place in this country in 1906. For the second year it will be over the Nassau circuit in Long Island. The distance will be approximately 20 miles, as in the last race, and the date will be either Saturday, Oct. 6, or Saturday, Oct. 13.

Russian Statesmen See Light Ahead if There Are No More Disturbances.

St. Petersburg, Feb. 9.—The tide of gold is still seething back into the coffers of the Imperial bank. The receipts of the government, and especially those from the railroad, are on the mend, and the tension of the financial situation, which recently was causing supreme anxiety, continues to relax. The weekly report of the Imperial bank covering the period from Jan. 15 to Feb. 5, shows an increase of nearly \$20,000,000 in the stock of gold on hand. The amount of paper money accumulated in the vaults of the bank increased during the week to \$47,000,000. This currency the treasury officials expect soon to put into the furnace and to retire definitely from circulation another \$12,500,000 worth of notes.

FIRE SWEEPS LITTLE TOWN

Nearly Every Business House in Littleton, W. Va., Destroyed—

Loss Exceeds \$200,000.

New Martinsville, W. Va., Feb. 9.—Fire broke out in Littleton, an oil town near here, today, and before it could be extinguished nearly every business house was destroyed, about 800 of the 1,500 inhabitants were without homes and a financial loss of more than \$200,000 was sustained. The fire broke out about noon in the attic of the William Crow grocery, in the center of the town. Inside of twenty minutes the entire business block along the Baltimore & Ohio track was ablaze. The bank of Littleton, the opera house, the Commercial hotel and several smaller stores and residences were destroyed. From this block the flames swept across the Baltimore & Ohio track to the Exchange bank and the Delbrug hotel. Flames spread from house to house with great rapidity. Assistance was sent from Wheeling and also from Cameron, W. Va., and dynamite was resorted to, but the high wind carried the flames across the streets, and over tracks, licking up the frame dwellings in its path. One hundred houses were burned.

DR. COOK'S SCIENTIFIC, CERTAIN AND COMPLETE CURE FOR

Weak, Nervous, Restless at Night, and Weak, Aching Back, Diseased Kidneys, Inflamed Prostate, Dependent, Lack of Energy, Ambition and Strength, Excessive Drinking, Loss in Urine, Exhausting Dreams, Poor Memory, Hollowed Eyes.

An endless number of men have one or more of the above symptoms and drag from day to day in despair of a prosperous future, and well they may, for if neglected their health is sure to be wrecked by a complete loss of physical, mental and sexual power.

My method completely and permanently revives manhood after cure-all remedies and quackcure specialists fail to even benefit.

My scientific, systematic course of treatment for weak, nervous, brokendown, youths and men, who have, through folly, dissipation and excesses, unfitted themselves for work and the enjoyment of life is a system that has been tested many times over and proven entirely satisfactory in every case. It is totally different from the many sickening pills and tablets, and the stimulating, stomach-ruining drugs given by would-be specialists. My specific treatment for all the symptoms indicating falling manhood is harmless though so effective as to remove them immediately. It is constitutional; therefore, by purifying and enriching the blood, strengthening the nervous system, nourishing the tissues, the patient becomes strong and healthy with all signs of trouble forever gone. The treatment is to the human system what the sap is to the tree—it buds energy, ambition and confidence, that lead into a prime, healthy, vigorous feeling of new life.

I treat and cure all such pelvic diseases as PILES, FISTULA, RUPTURE, VARICOCELE, HYDROCELE, BLOOD POISON, SKIN DISEASES, SORES, ULCERS, NERVOUS DECLINE, and diseases of the KIDNEYS, BLADDER, AND PROSTATE. My method of treating these diseases has proven so successful that I guarantee a permanent cure in every case accepted, and contract by written instrument to produce permanent results or refund money.

IMPORTANT.—I will cure you for less money than you can be treated for by any other specialist in Salt Lake. You may have to come to me sooner or later in order to be properly cured; why not before you have lost your money in doctoring with cheap, unskilled specialists?

CURE OR NO CHARGE.—ABSOLUTELY NO CHARGE UNLESS SATISFACTION IS GIVEN. Every patient is given a written guarantee to refund every dollar paid for services if they do not receive a complete, life-long cure and entire satisfaction, and I have made a deposit of \$500.00 in the bank to secure any contract that is not fulfilled.

CONSULTATION FREE. CONFIDENTIAL AND INVITED. A personal, thorough and searching examination is required, though it is inconvenient to call, write me a full description of your trouble. Office hours, 9 a. m. to 8 p. m., except Sundays, from 9 to 12:30. Address or call.
